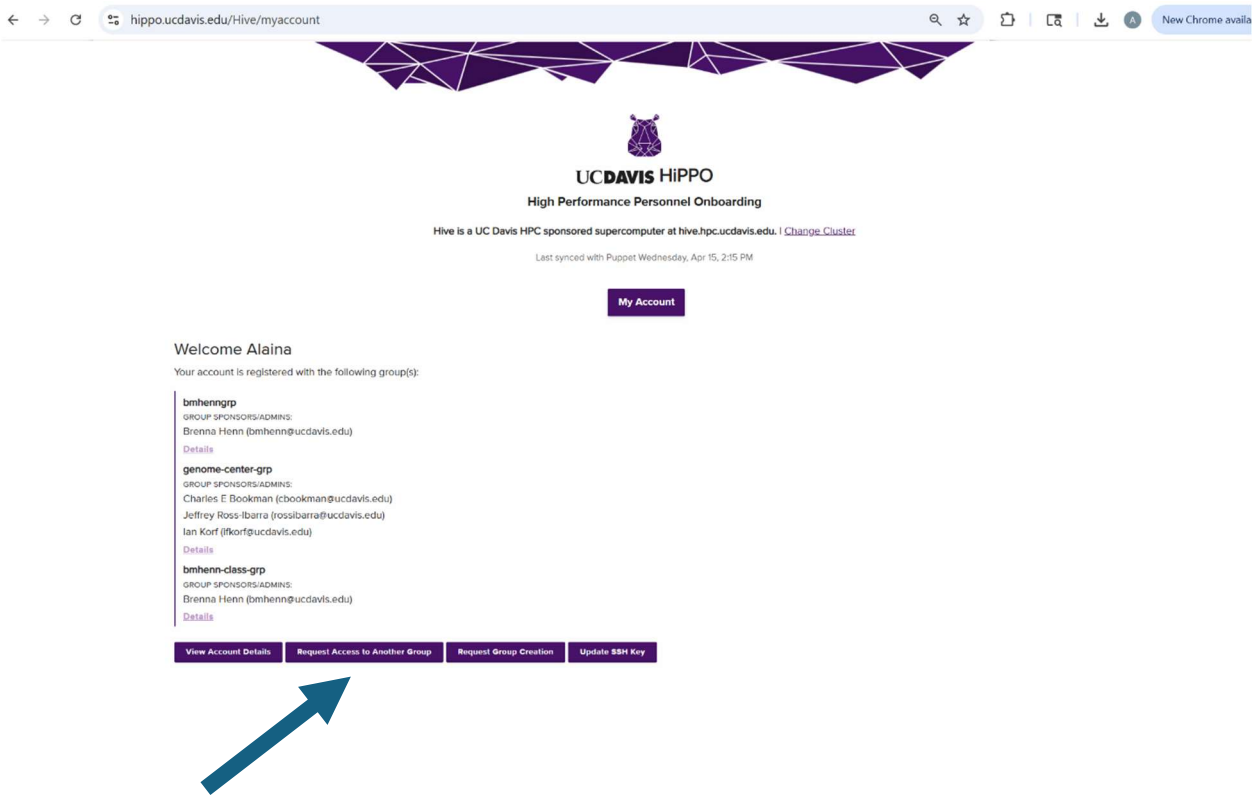
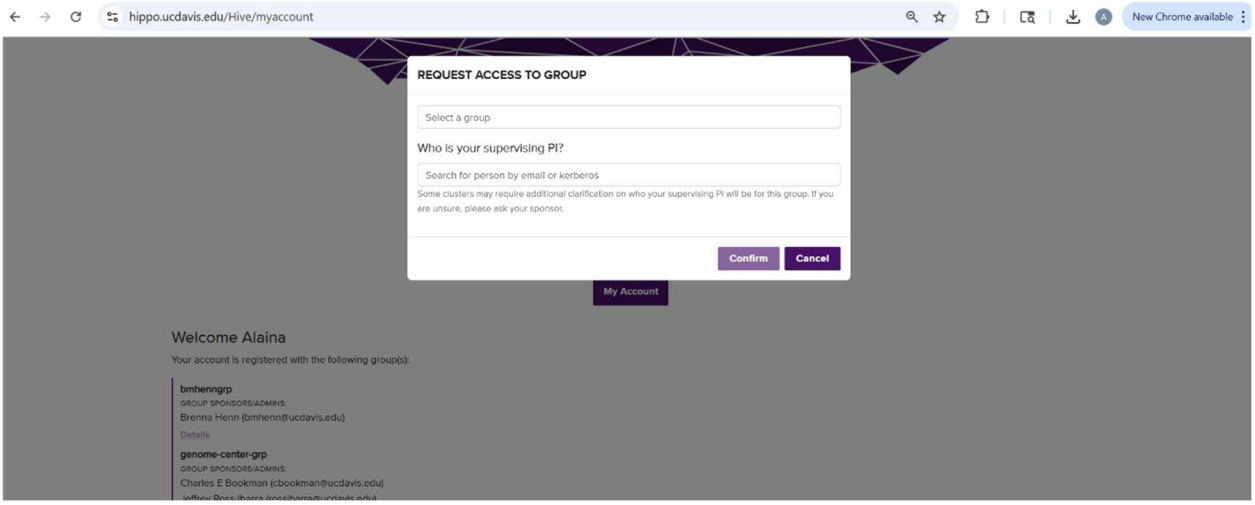
Requesting a hive server account

1. Open a web browserand go to this webpage https://hippo.ucdavis.edu/Hive/myaccount
2. Sign into your UC Davis account using your username and password
3. At the bottom of the next page click Request access to another group





4. A window will then pop up. For the “Select a group” space, type **bmhenn-class-grp.** Under “Search for person my kerberos or email” put in **bmhenn@ucdavis.edu**

5. You should get an email when Dr. Henn approves your account.
